# Please consider sponsoring the 7th Annual Drive for ABI Charity Golf Tournament in support of the Hamilton Brain Injury Association

Brain injury can happen to anyone, anytime, anywhere. In Canada, approximately 1.5 million people are living with an ABI; in Ontario alone, 150,000 people will be diagnosed with a concussion and 16,000 people will sustain a traumatic brain injury this year.

The Hamilton Brain Injury association has been supporting individuals living with an acquired brain injury in the Hamilton community since 1986. Our mission is to ensure the quality of life for survivors of acquired brain injury and their families through support, education and advocacy. We have of recent opened a new Clubhouse located in Stoney Creek.

The Hamilton Brain Injury Association is a charitable organization that is funded solely through sponsorship, donation and annual fundraising events. This year e will be hosting our Annual Drive for ABI Charity Best Ball Golf Tournamentat Flamborough Hills Golf Club on September 19th ,2022

We invite you to participate by golfing, sponsoring and/or donating a silent auction item. This is always an exciting event for golfers and non-golfers alike and serves as a great opportunity to support an amazing cause while networking with colleagues and friends.

Attached, please find our 2022 Sponsorship Package for your consideration. The deadline to commit to sponsorship is August 19th, 2022.
